

Guidelines:

Your application can be submitted as:

- A completed poster sent as a pdf
- A poster presentation on PowerPoint or Word

The purpose of the poster presentation is to share your knowledge and learning on a diabetes-related project or activity that you have undertaken and the impact it has had.

Have you undertaken a diabetes-related audit?

Have you involved patients in any projects?

Have you set up any new services?

**HAVE FUN SHARING YOUR IDEAS AND INNOVATION
WE WANT TO HEAR FROM YOU...**

The deadline for submissions is Monday 17th September 2018.

We will acknowledge receipt of your submission via return email.

Posters will be reviewed by nominated members of the Hertfordshire Conference Planning Team.

You are all invited to bring along your printed poster in any appropriate size and set up a display at the conference.

In addition, up to 4 finalists will be informed in advance with the opportunity to formally present your project at the Conference. The final winner will be announced at the Conference with the award of a prize.

Submissions should be sent via email to: nicola.cowap@nhs.net

Please include "Poster Competition Submission Diabetes Conference 2018" in the subject box.
